## Adele Silva

**The Stage Review for Adele in 51 Shades of Maggie - "Adele Silva's performance as Maggie, sustained as a one woman show for two hours, is stunning. She plays a whole cast of characters with Berkoffian ease and truth simply by twitching her body, face and voice into a different personality. And she is very, very funny although the humour is often also laced with poignancy. It is riveting work by an outstanding actor."**
