I've worked with companies including Netflix & the BBC. I learn scripts very quickly & have the flexibility to perform in a wide range of clear and authentic accents.

I play lead, rhythm & bass guitar to a high standard & sing rock, pop, choral & stage.

I'm outgoing & enthusiastic in everything I do. This comes across in my work and my communication with both peers & production staff. This has been professionally commented on whilst on set.

I'm 1 belt from black belt in karate & owe a lot of my dedication to the discipline this requires. I won a bronze medal at the ICO World Championships.
