I'm thrilled to be playing the role of EGG, in the Game of Thrones prequel: A Knight of the Seven Kingdoms. Being part of the legendary world of Westeros is a dream come true.

I also had the opportunity to play a young Coriolanus Snow in The Hunger Games: The Ballad of Songbirds and Snakes. Exploring the early years of such an iconic character was unforgettable.

Outside of acting you'll find me out fishing, practicing karate, or working on magic tricks. I love going on adventures with my dog, Trixie—we're always exploring, whether it's the countryside or something a little more fantastical!
