I have just finished filming for Season 4 of Industry for Bad Wolf/BBC. Other recent work includes Mammoth and Death Valley both for BBC studios, the latter to be released this Spring starring Timothy Spall. I was thrilled to be in 'Why Didn't They Ask Evans' written and directed by Hugh Laurie with Mammoth Screen. Originally aired on Britbox but now streaming on ITVX and Getting rave reviews when shown on ITV on Easter weekend, I was so delighted to play the title role (spoiler alert) with such a wonderful cast.
